4. Executive Committee Updates:

- KLASAC currently has two positions open, Secretary and one Member at Large position.
- Staff time for Rita had slight change. Her time is 3 days with KLASAC and 2 days working on regional projects.
- Not moving forward with Family Matters program. This freed up some funding which will be used for a CADCA training. We have approval to bring the CADCA training to us and will be partnering with Washougal's coalition. Had a discussion about the different types of training topics that everyone might be interested in.

5. Community Presentation:

Rita will send this out via email. There will be thumb drives available to borrow if you would like to take this presentation to any other meetings that you attend. It is a very short presentation that explains about our coalition.

6. Media Group Update:

Debi Budnick talked about the SPARKS training that she attended with Rita and Megan. Said it was very informative. The group has been working on a social marketing campaign. Talked about and wanted opinions on the different types of messages we might want to get out. They are looking to gear it toward the topic of underage drinking. Discussed focus being on kids and their positive behaviors or alcohol being purchase for youth by young adults age 21-25. Sounds like most would like to focus on positive norms messaging for now along with some knowledge about the laws.

7. Next meeting will be in Klickitat at the Community Center on January 17th from 5-6:30pm and is a dessert social for last ½ hour.
