

KLASAC Meeting October 20, 2021 5:00 PM via Zoom

Attendance: L. Bales-Klickitat SD counselor & executive board member, T. Barker-exec.-board member S. Crapper-community prevention project coordinator, B. Freeman-Klickitat SD superintendent, L. Knight-comp. Healthcare, D. Sauter Klickitat County Commissioner

Items Discussed:

Meeting Agenda:

- See agenda items:

Introductions/Celebrations/Community Sharing:

- L. Knight explained that there is for services in Goldendale and White Salmon. L. Bales stated that Klickitat SD had an excellent turn out for parent-teacher conferences and talked about the new behavioral health counselor that comes to the school every other Thursday to meet with students from 8:00-11:00. D. Sauter explained about programs such as; At-Risk grant for schools and funds to support the White Salmon Youth Center. Dave said that there is no guarantee that these funding supports will continue when the new budget approved. Dave stated that he will continue to advocate for these programs that support our communities, schools, and youth. Discussion followed.

September Minutes:

- S. Crapper presented the September minutes for approval. D. Sauter put forth a motion to accept the minutes as presented. L. Bales seconded the motion. The motion carried to accept the September minutes.

Upcoming Events:

- S. Crapper explained about the various upcoming events. On Oct. 28th there is a family event. The Youth Prevention Summit on Nov. 2nd and 3rd has been canceled. Adults can still attend virtually. CPAKC is sponsoring a *Take Back Day* on Oct. 23rd for prescription drugs. Sheila spoke about the community survey. There has only been fifteen submitted this far. One hundred surveys are needed between the two communities. Sheila will resend out the link and paper copies to go home with students at both schools. Sheila reminded all of us to take the CAT survey if we haven't already. Members need to take the survey. Discussion followed.

Evaluation Information-CADCA:

- Sheila C. spoke about the new evaluation for the coalition and what that will look like. The coalition and executive board will be working on the evaluation throughout the year. Discussion followed.

Logic Models and Data Needs:

- Sheila explained KLASAC's model needs to be reviewed. It will show what we have completed each year. KLASAC needs data such as; coalition survey and healthy youth survey. What other data can we review? Discussion followed. D. Sauter will speak with juvenile department and law enforcement to see what data we could use from Klickitat County. Leslie K. will see what data can be obtained from DCYF and hotline(s), etc. Of course with receiving any of this data, anonymity will be followed. What do we need as a coalition to work on and update? Review strategic plan.

Meeting adjourned at 6:05 PM.

The next KLASAC Meeting will be **Nov. 2021 Zoom.**
