

December 21, 2023
5pm-6pm
Zoom

Attendance: L. Bales, S. Crapper, S. Sutton, and A Brandt Whaling

KLASAC offering Family Success Training for families in February. Six weeks of classes weekly with one class per week in Lyle and one in Klickitat. Sheila will get flyers out at each school and community in January. Sheila will need help with set up, meal prep, clean-up.

Sheila gave a budget update. At this time there has been \$5,000 recently added for this year. Sheila is waiting for clarification before funds are reallocated in our budget. New budget analyst person to be hired. Hopefully, monthly meetings for reviewing of the budget will occur.

April's meeting will host a dessert and recruitment of new membership to gain new individuals in each community that want to become involved in the prevention and education of drug abuse and mental health. Liz L. filled one position, but we are still in need of a Lyle and Klickitat Rep. and members at large for both communities. Also, at April's meeting we will be celebrating ten years.

Sheila is currently updating KLASAC's website. It will be updated by the end of January.

Sunday S. CPAKC gave a coalition update. CPAKC will be hosting a key leader event in January. There have been many family events and January's event will be a free community and family breakfast. CPAKC will be facilitating parent/family trainings with incentives for families.

Notes by: L. Bales / KLASAC Secretary
