

KLASAC Meeting Minutes

February 10, 2021

Via Zoom

In Attendance: Sunday Sutton, Laura Bales, Tricia Simpson-Barker, Kateel Muhs, Sheila Crapper

Introductions/Celebrations/Community Sharing: Lyle passed their levy. Klickitat School is now back to in person learning.

Review CAT (Coalition Assessment Tool): Reviewed the CAT that we took as a coalition in October 2020. Our scores were average with other coalitions around the state. Our lower scores were around current membership being low. This is a problem this year for most coalitions around the state.

Training: Recovery: What Every Prevention Person Needs to Know

After discussion between the 5 in attendance, we decided to postpone this training for a larger coalition meeting in order to reach more of our members.

Upcoming Events: Discussed upcoming cooking event for the community. Sheila will be meeting Laura Bales next week to finalize some of the planning. This event is on Facebook and can be shared to help get the word out. Parent Ed will be coming up soon. Information from Start Talking Now website will go home for parents. Discussion around activities and items that could go home for families with this info.

Next meeting: March 17, 2021 5:00pm-6:30pm Via Zoom/Call in
