

Minutes: KLASAC Meeting
April 22, 2021

In attendance: Carl C., Megan W., Tricia S., Sunday S., Kristen M., Sheila C.

Training Opportunities:

- CADCA Mid-Year is July 11th-15th this year and will be held virtually. If anyone is interested in attending this training please contact Sheila by mid-May.

Community Event:

- Discussed options for upcoming community event.
- Final decision was to plan an event for end of May that will involve a book and craft, with a Zoom option to join for reading.

Community Survey:

- Reviewed community survey results together as a group.
- If anyone is interested in seeing our results please contact Sheila at klasaccoalition@gmail.com
- We had very limited surveys this year. We only had 56 as opposed to the normal 100+ that we have had in the past. This was a problem for many coalitions this year.

Logic Model:

- Sheila and Matt C. have started the CADCA National Coalition Academy recently and began work on a previous logic model for our communities around underage alcohol use.
- Logic Model was shared for input and thoughts.
- Changes will be made and this will be shared again at a later meeting.

Next Meeting:

- May 19, 2021 from 5-6:30pm, via Zoom/call in. Link will be emailed in May.
