

**KLASAC Meeting May. 20, 2020 at KCC at 5:00-6:30 PM via Zoom**

Attendance: Laura B., T. Barker, C. Belisle (ESD RGT), Carl C., S. Crapper, J. Draper, J. Jimenz (ESD RGT), L. Smith, D. MeMieux (Next Door Inc), B. Mills, M. Winn, L. Reid (ESD RGT), S. Sutton,

Items Discussed:

**Introductions-** Introductions were given as various individuals from different organizations attended the meeting.

**Needs Assessment-** J. Jimenez, L. Reid, and C. Belisle from the ESD Prevention Team attended our meeting to acquire needed data for our rural grant. The overall questions pertained to; What resources such as; prevention tools, media support, etc. are needed and wanted to serve our grant through KLASAC?

J. MeMieux asked the following questions and KLASAC members gave input and opinions concerning community norms. What does rural mean?, Concern of marijuana use in our communities, Concerns for availability of services in our rural communities for mental health, drug awareness, prevention, and substance abuse resources, What access does youth have for mental health and counseling through county services?, How has/does aces/trauma affect our family and youth?, How has generational and high poverty affected our families and youth in our communities?, What prevention needs and resources can be give through KLASAC to parents, youth, and community?, Is a counselor a needed resource for home environment?

**Professional Development-** What training would be useful for staff to support our youth, schools, and families in our communities?

Meeting adjourned at 6:32 PM

Next meeting **June 17, 2020** via Zoom.
