

KLASAC Meeting June 17, 2021 at KCC at 5:00-6:30 PM via Zoom

Attendance: Laura B., T. Barker, Carl C., S. Crapper, K. Poole, S. Sutton, M. Cox

Items Discussed:

Overview of KLASAC- S. Crapper updated members with information concerning the coalition for Klickitat and Lyle. Discussion followed on the outreach and media committees. Members will reach out to individuals that have attended meetings previously, but faded away. Current members attending meetings will reach out to others by next meeting. S. Crapper explained about the newly printed items that would be delivered soon, and other ways to get KLASAC's presence known after reviewing community survey. Discussion followed for where to place new positive norm posters, yard signs, and flyers concerning marijuana, prescription drugs, alcohol use as well positive norm posters/signs. Discussion followed about Facebook presence and continuing to place information on both school's website, info placed in back to school and athletic packets, and the other coalitions sharing our information via Facebook. Media committee will need support and committee members need to get together.

Evaluation of Coalition-The evaluation of our coalition didn't occur last year, so there is a need for this year. S. Crapper is working with ESD 112 for support in the evaluation process for KLASAC.

Summer Commitments-National Night Out was scheduled for August, and has been rescheduled for October. Discussion followed on what ways we could get our message out and across to people in a meaningful way. Has been a large event, how can we keep it going? What and how to support areas with weak internet access? What can we do virtually? The karaoke contest could happen virtually. A 5K walk/run could be an activity that we could possibly host. Discussion for a scavenger hunt was also suggested. ? will contact Tribal Police for their thoughts and ideas for offering karaoke virtually. S. Sutton suggested we apply for funding if available to have on hand. **Key Leader Event-** October event too. Discussion followed on the need to begin planning and be mindful if event needs to be held virtually. S. Crapper will set up meeting with other local coalitions to see how it would/could work.

Action Plan and Budget- S. Crapper submitted both documents. S. Crapper will share documents after approval.

Rural Networking Meeting-S. Crapper will send out link for others to attend.

Kudos- S. Sutton gave praise to KLASAC and the work we are all doing.

Meeting adjourned at 6:05 PM

Next meeting **July 15, 2020** via Zoom.
