Attendance: S. Crapper, S. Sutton, A Brandt Whaling, K. Stahl, M. Winn

CAT Survey: Will review at February meeting.

TADAA Update: Youth in Lyle and Klickitat will have the opportunity to give input on a new vaping module created through ESD 112 this month. Discussions around vaping facts continue and will begin working on Positive Norms Campaign soon.

Volunteer Opportunities: If interested contact Sheila at klasacoalition@gmail.com

- Snack prep for parenting classes during February and March
- Childcare during parenting classes during February and March
- KLASAC Executive Committee

April Meeting: April meeting will include a dessert potluck, overview of KLASAC for new members, celebration of our 10th year and be a membership recruitment event (bring a friend or someone that may be a good fit for KLASAC)

Website & Facebook: Website has been updated and ready to start sharing out again. There will be some additional updates coming soon on the resource page. If you don't already follow our Facebook page please take a moment to do so and help us out by sharing posts out to others.

What Works in Prevention: This training will take place at our February meeting.

Zoom Link: We had some confusion last night with Zoom links. The link that will be used for coalition meetings through June will be: <https://esd112.zoom.us/j/82962681211>
