

February 21 , 2024
5pm-6pm
Zoom

Attendance: S. Crapper, S. Sutton, A. Brandt Whaling, L. Lester, A. Gaffney

CAT Survey: Reviewed coalition assessment tool (CAT) results. We had 6 surveys completed in October 2023. Overall scores from last year to this year have increased slightly. Areas that need improved upon relate to low membership numbers. Membership is showing improvement this year though, so hopefully will up these scores over the next year. Overall scoring was positive though. Survey results are attached with notes.

Volunteer Opportunities: If interested contact Sheila at klasaccoalition@gmail.com

- Snack prep for parenting classes during February and March
- KLASAC Executive Committee
- Set up/clean up for Tech Talk March 19th in Klickitat & March 21st in Lyle
- Join KLASAC
- Set up/clean up for April 17th meeting in Klickitat

What Works in Prevention: This training will possibly take place at our April meeting. I will attach the info with notes if anyone would like to review this.

Community Sharing:

- CPAKC will be holding a planting activity March 16th
- Guiding Good Choices training will begin in Goldendale on April 30th
- CPAKC will be holding a multi cultural event in April – Date TBD
- CPAKC held a community dance that was a great success with 80 in attendance
- CPAKC and Goldendale Library hosted a viewing of “Hidden in Plain Sight”. If you missed this anyone with a FVRL card can log in to view this. Included in this event was a conversation about mental health with local crisis response team
