

June 26, 2024

5pm-6pm

Klickitat Community Center & Zoom

Attendance: Laura B., Sheila C., Julie W., Kelsi S.

Celebrations: Financial Wellness Fairs at Klickitat, Wishram, and Trout Lake. Fairs went well with exceptional turn out at Wishram. Trout Lake's Wellness Fair was offered in Spanish. Lyle Art in the Park hosted a table with a craft and information to hand out. There was a good turnout of families.

Budget and Action Plan: Sheila C. facilitated a review and discussion about the Action Plan and Budget for the upcoming year which has been submitted. The budget and plan will begin July 1st. Sheila will meet with Ray for clarification. Changes were discussed at executive board meetings. There will not be a contract with Gorge Youth Mentoring. Main reason was a funding issue. Positive Action dates will begin by Sept. 30th with the counselor's kit being used with grades in various classes.

Summer Schedule: No Executive Board or KLASAC meeting in July. Both meetings for August will be held via email. Sheila will host an informational/education table at Klickitat Canyon Days on Sat., July 27th from 9:00-2:00. Laura B. and Julie W. will stop by to help as needed to give Sheila a break, etc. No National Night Out is planned as it is a huge event and needs commitment from many volunteers. Discussion will follow to brainstorm ideas and suggestions to work with the possibility of other organizations to make this event occur in 2025. September parenting classes will begin in Lyle and then in the spring in Klickitat.

Training Opportunity: Rural Network Conference will be in Yakima Sept. 25th and 26th. Please let Sheila know soon if you are interested in attending.
