Wed., April 16 at 5:00 at Lyle Activity Center

Attendance: L. Bales, S. Crapper, L. Lester, and J. Walruff

Sheila C. reviewed the executive board meeting on Monday., April 14th. $5,000 was given to support other coalitions but with recent events the $5,000 may be returned to KLASAC. Sheila C. had updated our budget to reflect the less $5,000. Sheila C. will wait to see before she updates the current budget again.

The Key Leader event will be May 6th at Klickitat Community Center from 12:00-1:00.

Family Success Sessions will be in Klickitat beginning April 30th and Lyle beginning May 6th at 9:00-10:00am. Laura B. will help with daycare whenever available. More help would be great.

The Executive Board Retreat on June 3rd at Klickitat Community Center from 9:00-1:00.

Klickitat's TADAA Club will be hosting a Youth Training for Klickitat County prevention youth on April 29th. Youth from Lyle, Glenwood, and White Salmon have confirmed their attendance. Hoping that Trout Lake, Wishram, and Bickleton will attend as well. Matt Cox from ESD 112 will facilitate a peer-to-peer tobacco training. This is the first training for rural youth with this training. Pizza will be served.

The website was updated and is working well.

Narcan training was tabled as not needed at this time for new members.

Sheila C. explained that campaigns for Under the Influence and Start Talking Now will be shared. New posters have been ordered to be placed around schools and town too. Members are asked to follow and share out KLASAC's Facebook campaign posts so information can reach as many people as possible. Radio ads may be purchased if funds are available.

All funds must be spent and invoiced by June 30, 2025.

WA Healthcare Authority has put a hold on attending the National CADCA Mid-Year conference this summer. At this time, no one from KLASAC will be attending.

Sheila C. will keep us updated and our budget and give suggestions as how to spend remaining budget as needed.

Review of CAT

Laura Bales
KLASAC Executive Board Secretary
