

**Attendance :** Laura B., Sheila C., Cristie M., and Sunday S.,

**Minutes Taken By :** Laura B.

**Location:** Lyle Activity Center / Zoom

**Sept. 17, 2025**

### **Sharing:**

Sunday S. from CPAKC shared upcoming events sponsored and/or partnership with other organizations. Partnership with the Goldendale Library for a free harvest dinner Oct. 4th 3:00-6:00 PM at Goldendale Library. Take Back Prescriptions Drug Day on Oct. 25th 10:00-2:00 PM on the Goldendale Courthouse lawn. Solar Program bused to Goldendale Observatory from 2:30- for first 35 people.

Sunday S. shared upcoming CPAKC and community survey to engage board members and community members. Data will get used to drive future events, activities, and outreach. WAGAP will be offering Parent as Teachers classes for families and Klickitat and Skamania Counties. The classes will be offered for families from newborn to five years old.

### **Upcoming Events:**

Sheila C. shared upcoming events Tech Healthy Family Night at Lyle Lions Club 6:09-8:00 PM and at Goldendale Lions Club from 5:30-7:30 PM. These are not led by KLASAC but supported by us. It's so good to see the main message being shared through various organizations. KLASAC is sponsoring a Family Game Day/Night at Klickitat SD from 4:00-8:00 during conferences. This is in conjunction with getting our message out with an information table. Sheila C. is reaching out to Lyle SD to offer the same event during Lyle's conference.

### **Coalition Updates:**

Sheila C. will be scheduling dates for parent classes for Klickitat in the fall and Lyle in the spring. Discussion followed concerning outreach and offering dinner and childcare. Liz L. and Sheila C. will talk with TADAA club members to help with childcare.

Budget and funding is still on hold and not received final A&R. KLASAC has been assured that funds will be received. At this time ESD is covering monthly expenses, but we will not be purchasing items until budget is released.

Healthy Youth Survey is the fall 2025. Lyle and Klickitat Schools are both registered. SAP will be working with school personnel to administer.

Community Surveys are on hold until we hear differently. Communities can work to come up with their own surveys if desired.

Sheila C. shared membership promotion and outreach for engaging members at meetings as well as reporting quartering at meeting. Looking at celebrating with a dessert, raffle prizes for supporting and coming to support KLASAC. We're asking our families business owners, and schools to "Own Our Communities".
